Letter from Khan Bahadur J. Hussain, Bar-at-law, Collector of South Kanara, R.O.C.No.6112/31-A-6, dated the 12th September 1931.

--

The Tahsildar of Udipi reports that S.No.47/3 (extent 8 cents) in the eye-sketch at page 39 of D.R.case No.40/40) of Manipura village has been enclosed with a substantial mud wall by the Mission Trust of Southern India and that it has been in its effective occupation and enjoyment for the last about 20 years. Rev. B. Bunz, Agent of the Mission Trust has applied for it as well as for the adjoining plot S.No.47/1-C, 90 cents in extent, in the name of the Mission Trust of Southern India.

2. Under the darkhast rules applicable to South Kanara, the Mission Trust has no superior claim to S.No.47/1C as against the claims of the holders of Kadim lands S.Nos.37/3 and 36/8, to which it forms kumaki and who have applied for its assignment. Besides, S.No.47/1.C contains no improvements and is not in the exclusive possession and enjoyment of any one. It is lying as assessed Government waste. It cannot, therefore, be assigned to the Mission Trust.

3. S.No.47/3 too forms Kumaki to the holders of the adjoining kadim lands and they have applied for it also. But the Kumakidars have long forfeited their kumaki concession to the plot by reason of its adverse possession and enjoyment by the Trust for the last 20 years. It will therefore have to be assigned to the Trust. If it is not assigned and allowed to remain as it is, the Mission Trust will be enjoying Government land without payment of assessment.

4. The Agent of the Trust states that the Mission Trust of Southern India is an Incorporated Body created by Act IX of 1921 of the Imperial Legislature. The schedule appended to the Act bears out the claim. As, however, the Southern India Mission Trust is an alien body, no land can be assigned to it without the previous sanction of Government. I request therefore that the Board may be pleased to move the Government for the requisite sanction.

5. All the necessary formalities required by B.S.O.No.15 have been gone through. The records of the darkhast case together with a statement showing the extent of land held by the Mission Trust in the village and in the District under wet, dry and garden and also their approximate value are submitted herewith.

2. The Board requests that Government may be pleased to permit the assignment of the land in favour of the Mission Trust of Southern India.
